How many subjects do I choose?

In addition to your core subjects (see table below), you have the opportunity to study subjects that you particularly enjoy or find interesting. These subjects may help you achieve your long-term goals.

You need to choose **four** subjects: two subjects for Semester 1 and two subjects for Semester 2.

Note 1: If you choose French, Indonesian, Arabic or acceleration (VCE or VET) you must take this subject in both semesters; therefore, you will only need two other subject choices: one for Semester 1 and one for Semester 2.

Note 2: if you are thinking of acceleration, you will need to add this as one of your elective choices (for both semester 1 and 2). In addition, you will need to download and complete the acceleration form from the College website, fill this out and present it by the due date for submission. It is also important that you meet the guidelines for acceleration.

Are you planning to accelerate in to a VCE subject in Year 10? (please tick, if yes please download and complete form)
