**In the event of missing a SAC due to ill health, a Medical Certificate is required.  
It must be delivered to the office (student administration side).**

**The missed SAC is completed after school in the Library on the following Monday or Wednesday. SACs can be complete prior to the missed SAC form being returned to the VCE Coordinator. However you have one week to get that form returned following the completion of a SAC otherwise you will be given a zero result. All missed SAC forms can be found outside 2108 and need to be returned to the VCE Coordinator**

**Students who complete SATs should note there is no extension available beyond the final SAT date published.**
