### 2019 YEAR 10 GENERAL BOOKLIST

Dear Parents/Guardians,

Please find below important information for the Year 10 booklists for 2019.

Purchasing second hand is a great way to save money on booklist items and a good place to start is via the 'Sustainable School Shop' which offer an online option for families which can be accessed by visiting [www.sustainable-schools.com.au](http://www.sustainable-schools.com.au)

Facebook is also a great way to source second hand school supplies. A popular group for local supplies is **Ballarat 2<sup>nd</sup> Hand School Supplies**. Please ensure you check the College's Uniform guidelines and book requirements before you purchase anything privately to ensure you receive the correct items.

Students are to retain their Combination Locks until Year 12. If you require a new lock, these can be purchased from the College Office at a replacement cost of \$14.

For the 2019 year, students will require additional resources as part of the Learning and Teaching program. This will include digital access from Oxford (including the Year 10 Oxford English Digital Resource and Cambridge Essential Mathematics 10 Digital Resource). As a result, all digital access will be book-listed as part of the **General Booklist** and managed through Ballarat Books. The technology levy will now only cover the use of the student device, the Microsoft Surface Pro.

Students are required to have all individual requirements for their core and elective subjects. Core subjects are compulsory subjects that all Year 10 students undertake. Please only select requirements relevant to your electives and the core subjects.

English	Mathematics	R.E	P.E Health	Humanities	Science
---------	-------------	-----	------------	------------	---------

Some Year 10 students will also be doing a VCE subject. These subjects are listed in the online Senior Booklist under Year 11 Units 1 & 2. Please order your VCE subject requirements at the same time as you order your Year 10 requirements.

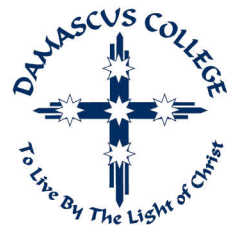

#### **Compulsory Items for all students to be brought through Ballarat Books:**

- 'Damascus College Cambridge Essential Mathematics 10 Digital Resources'
- 'Damascus College Year 10 Oxford Digital Resource'

Damascus College has been able to source some texts and essential equipment below recommended retail price. Due to these offers, some requirements will not appear on the Ballarat Books Booklist. You will receive order forms in the Early Start Program classes regarding these products.
