

The Alumni Art and Technology prize is an annual collaboration between Damascus College and a selected alumni member to produce a commissioned piece for the College to display and celebrate.

For 2024, Damascus College is seeking applications for a piece of art or technology for the new senior building that speaks to the Mercy Values of Compassion, Justice, Respect, Hospitality, Service and Courage.

Damascus College will pay a fee to the artist who has been commissioned to undertake the work.

Terms and Conditions:

1. Entry is open to Damascus College Alumni. Alumni are defined as past students and staff of Damascus College and its foundation colleges, Sacred Heart, St Paul’s and St Martin’s in the Pines.
2. The piece produced must speak to the Mercy values, either throughout interpreting of all six values or by choosing one value that resonates most to the artist.
3. The medium with which the final piece is created will be decided by mutual agreement between the College and the artist
4. The dimensions of the final piece will be stipulated by the College
5. The artist will provide concept drawings or sketches of the artwork for the approval of the College prior the artwork being finalised.
6. A written statement piece must be provided by the artist
7. The commission fee will be a negotiation between the artist and the College Principal and will be determined PRIOR to the commencement of the work. Historically the usual commission is a sum of \$2000, however given the scope of the piece, negotiation will take place to cover the cost of production.
8. The artist grants an exclusive license to Damascus College to photograph the piece or otherwise reproduce the artwork for College publications and/or promotional materials in perpetuity.

Deadline for your submission is Sunday 2 June 2024.

Please submit your completed application form by emailing connecting@damascus.vic.edu.au
Only completed applications, received before the deadline will be considered.
