

29th July 2020

Dear Families,

I have received confirmation from the family of the student who was a close contact of someone who had contracted COVID-19 that all members of the family have received negative tests results to COVID-19. The student will continue to observe the appropriate isolation protocols and we keep the family in our thoughts and prayers for what is a very challenging experience.

As a school community we will continue to exercise a high level of caution including the 5 S's and mask wearing.

Regards
