How many subjects do I choose?

In addition to your core subjects (see table below), you have the opportunity to study subjects that you particularly enjoy or find interesting. These subjects may help you achieve your long-term goals.

In the table below you will need to choose a total of six subjects: three subjects for semester one and three subjects for semester two.

Note 1: If you choose French, Indonesian or Arabic, you must take this subject in both semesters; therefore, you will only need four other subject choices: two for semester one and two for semester two.

Note 2: You will need to indicate two reserves for each semester, in case there is a clash with the electives you have chosen. Your reserves must be different from the elective choices you have placed in the table below.
