

Health and Safety Committee Terms of Reference

Reviewed: March 2021

Next Review: March 2022

Rationale

The Diocese of Ballarat Catholic Education Limited (DOBCEL) Health and Safety Committee (HSC) is an employee/employer representative consultative committee. The purpose of the Committee is to meaningfully consult and effectively address employee health and safety matters arising at DOBCEL work locations, in accordance with the requirements of the Occupational Health and Safety (OHS) Act, 2004 (VIC). All student health, safety and wellbeing issues will be dealt with in accordance with other relevant DOBCEL school policies and procedures.

Definitions

Consultation: Consultation is providing employees with a bona fide opportunity to influence decisions made by Catholic Education Ballarat, as the administrative arm of DOBCEL. While consultation is not joint decision-making, it does allow for decisions to be more informed.

Designated Work Group (DWG): A group of employees determined on the basis of location, type of work, number of employees, and the nature of hazards or working arrangements.

Health and Safety Committee (HSC): A forum for opening communication between staff and leadership. It allows staff to address concerns related to work health and safety issues.

Health and Safety Representative (HSR) is an elected representative of the staff within the DWG. They are elected for a term of three (3) years to represent them in the consultation processes on matters of health and safety.

Leadership Group: The Catholic Education Ballarat Leadership Group.

Manager Representatives: School Principals and Catholic Education Ballarat Managers/Team Leaders.

Occupational Health and Safety (OHS) is the management of risks to health and safety in the workplace. This includes the health and safety of staff, visitors, contractors and students. Matters relating to safeguarding of children and young people, student wellbeing will be managed in accordance with the relevant CEB policy and procedure.
